Multi-Bed TV Remote Control For Healthcare

CR3BCB-H

For Multi-Bed, Multi-Code and Bed A/B TVs

Multi-Bed Capable

Controls Multi-Bed TVs

- LG
- Samsung
- RCA
- PDI
- Philips
- Zenith

The multi-bed function allows the use of two or more TVs in the same room, even if they are the same brand. It prevents interference when changing channels, volume or power.

TV must have this feature
