

E-Series 29"

Modular Healthcare-grade LED Television

Available with Interactive Patient System or Plug-and-Play DVD Module

This energy saving and modular Healthcare-grade 29" LED HDTV exemplifies the latest in interactive technology for complete patient satisfaction and infotainment, leveraging an ENERGY STAR® qualified TV. PDi's pursuit of excellence in patient entertainment, patient education and patient satisfaction makes the modular E-Series televisions the easy choice for a turn-key solution for interactive patient solutions.

The added benefits of the customizable Android™-based Interactive Patient System include:

- Empowers and satisfies patients and their family members through access to prescribed patient education videos and tutorials
- Enhances staff communication and efficiency through access to online satisfaction surveys, discharge instructions, and information on facility services.
- Offers added entertainment, movies, Apps, and internet access
- Plus the built-in USB drive allows patients to enjoy their own music, movies, photos and more!

PDi TVs are all built healthcare-TOUGH! The PDi E-Series LED televisions, available in screen sizes 24", 29", 32" and 42", affirm their credibility through strength, versatility, and affordability. This healthcare-grade TV boasts all the necessary features not found in consumer sets. With pillow speaker connectivity, Pro:ldiom/MPEG4 and increased reliability for longer power-on times, your facility is sure to engage and empower patients resulting in improved patient satisfaction HCAHPS scores, all while staying within the guidelines of UL healthcare requirements.

PDi-E29LEDA Modular LED HDTV

Product Highlights:

- ENERGY STAR® 6.0 Qualified TV
- USB port offers cloning and a patient media player, while a micro-USB eases management of Android settings
- Great picture quality at 1366 x 768 display resolution, plus high-grade components
- Universal pillow speaker feature works with every brand nurse call system
- The PD251-002 DVD module and PD251-026 mounting kit presents a clean, clutter-free look.
- Compatible with PDi-Qube[™] wireless table radio and TV remote control
- UL approved for hospital use in the US and Canada (UL/cUL 60065 Annex Q)
- Dimensions 26.6" W x 16.6" H x 1.9" D (67.6cm x 42.2cm x 4.8cm)
- Weighs only 14 lbs (6.4 kg)
- · Designed and tested in Springboro, Ohio USA
- Preferred TV Mounts for sets with module: PD168-051, PD168-039(w/PD181-677) or PD181-772
- Alternate Mounts for TV without module: PD181-700 or PD181-701(w/PD181-677)

SPECIFICATIONS

Model	PDI-E29LEDA
